RE : Village of Robert's Uniform Dwelling Code (UDC) ordinance

Dear Ms. Stork:

As indicated in our Oct. 18, 1995 letter, your municipalities UDC ordinance satisfies DILHR rules as stated in section ILHR 20.06 and is acceptable to the department.

You may begin enforcement of the UDC using state permit forms, permit seals and procedure explained in Chapter 20. Your municipal inspector, John Rivard, should be familiar with this process. The 'Material Order' you requested will be filled and forwarded to you under separate cover. Inspector Rivard will have to use the services of another inspector who is certified in the 'UDC-Plumbing' category for plumbing inspections.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Ergun I. Somersan', with a long horizontal flourish extending to the right.
